

Machine Operator

Heartland Label Printers is currently seeking a Machine Operator in our POS department. Heartland Label is a leading manufacturer and distributor of labels and other packaging-related items, including POS printer receipts. We service distributors with both stock and custom labels and POS printer receipts. Heartland Label has a facility in Little Chute, WI and Rancho Cucamonga, CA.

A Machine Operator produces printed POS materials by studying job specifications; setting-up, operating, adjusting, controlling, and maintaining printing equipment; and maintaining supplies inventory.

Job Duties:

- Responsible to ensure the machine is operating efficiently while producing product that conforms to quality standards.
- Reviews information on job-sheets for the diameter of the roll, stock numbers for cartons, cores, line equipment needed, quantity of rolls per case, special labeling instruction and skid stacking procedure.
- Effectively setup machine and line equipment IE, slitting shafts, arbors, tucker, pounder, carton sealer and change 'Mini Rolls'.
- Accurately interpret work orders and other instructions required by supervision.
- Responsible for the quality control of rolls to ensure ink stripe, diameter, rings and how well the rolls fit into the case are up to standards.
- Retrieves cores, boxes and other supplies and materials for the machine.
- Assemble and label boxes with accuracy for shipping for custom and stock items.
- Complete tasks within the specified timeframe accurately and professionally while working independently and/or as a team.
- Responsible for housekeeping of the general area around the machine including sweeping the work area and picking up loose items.
- Other duties as assigned.

Requirements:

Education: High School Graduate or General Education Degree (GED).

Experience: Experience is a plus but we will train mechanically inclined, motivated individuals.

- Ability to perform work accurately and thoroughly.
- Ensure excellent attendance and timeliness.
